

APPLICATION FOR CSMM CERTIFICATION

Any member may submit to the Certification Committee proof (transcripts, certificates, etc) of completed courses, seminars, workshops, etc with a letter to the Chairperson of the Committee requesting review of such proof for approval and assignment of points. Candidates must submit an Application that includes the specific category to which the course applies. All courses must have been taken and completed within the last five (5) years without exception. At the time certification is awarded, all materials will be from the past five (5) years. Any submission that is older than five (5) years will not considered. If all the requirements have been met, the Committee will notify the candidate and issue a Certified Scientific Materials Manager Certificate good for five (5) years.
